

# CROMLIX

LUXURIOUS, BY NATURE

## WELCOME

Allow us to reshape your expectations of a country house hotel, and discover the charm, spontaneity and serendipity that can happen when elegance is undone.

Cromlix is owned by Kim and Andy Murray. Nestled in the scenic Scottish countryside just three miles from Dunblane, the hotel is located in 34 acres of secluded woodlands and landscaped gardens with its own private chapel and house lochen. Cromlix currently offers 15 bedrooms plus a Gateside Lodge, Glasshouse Restaurant, Bar and several beautiful private dining & meeting rooms.

Re-imagine what a country house hotel can be, with our new interiors breathing life into this historic mansion with an exquisite, contemporary style and a refreshingly relaxed vibe.

The creative force behind the hotel is Kim, Andy's wife, who has taken an active role in shaping the whole Cromlix experience. Our interiors are alive with the vibrant colours of nature, verdant greenery and botanical flourishes and filled with contemporary art and imaginative moments. We've drawn inspiration from our natural setting, sprinkled with a little drama and a generous helping of fun. From the upholstery to the fresh florals, the artwork to the lettering on the menu, each detail has been carefully curated – with a preference given to local Scottish artisans, suppliers and designers.

Cromlix delivers a fresh, natural, effortless take on the quintessential country house experience, where guests can unwind, be themselves and enjoy a characteristically welcoming stay. Engaging but unobtrusive, we're always on the lookout for ways to craft special moments. We're in the business of effortless and fun.
